We are, today, engaged in a great adventure—as great as that of the last century, when our fathers marched to the Western frontier. Our frontier today is of human beings, not of land.

On our tenth anniversary, the NUGGET summarizes the many successes our school has achieved during the 1967-68 school term. I wish to pay tribute to the staff and student body for their many outstanding accomplishments. They are yours to cherish for your lifetime, with the knowledge that school is not preparation for life, but school is life.

My wish for each of you is that you keep mentally alert to all that goes on around you by being curious, observant and imaginative, that you may build an ever-increasing fund of knowledge of the universe.

Convention 1968

Parliamentarian Ned Branch's thorough knowledge of parliamentary procedure and efficient planning by Fall Vice-President Greg Arnold combined to make this year's convention one of the most successful and by far the shortest convention on record.

Highlighting the convention was former dean of boys and present Homestead High School Vice-President James Regan's keynote address. As opposed to previous conventions, delegates were for the most part quite orderly, a factor which contributed greatly in the finishing of convention business by 3:15.

THE COURT—with its judges, is closely related to the Board of Control. Violators of student laws are issued tickets and appear before the Court. There, they are answerable to the judges' decisions.

THE BOARD OF CONTROL—is a selected group of students that performs the policing tasks of the school. The A.S.B. is proud to acknowledge a job well done by the Board of Control.

Working with the ASB officers, the Commissioners, who comprise the Executive Council, are the liaison between the students and the administration. These representatives of different campus activities decide on such matters as the granting of concessions at home games, conferences, purchasing athletic equipment, and some social events. All ASB money bills are first presented to them for consideration.

The biggest job of the Executive Council is planning the Christmas Ball. Originator of this year's theme, Ronnie Simon, presented a fabulous ball, *Under the Christmas Tree*.

Without the aid and sincere encouragement of this group, CHS could not experience the freedom now available in student government.

Class of '68

The class of 1968 is made up of individuals, each one different from the other in some way. This is what makes the spirit of our class so great. Each individual contributes to the whole. Many contribute unknowingly—the boy who yells at the game because he is excited, not because he wants to win the Spirit Trophy. Since we have become Seniors, perhaps we are more aware of our unity than ever before. Things that we have just lived through—Crime and Punishment, finals, football games, and dances have now become permanent memories of our Senior year.

The Junior class has shown once more their outstanding abilities as upper-classmen. Among their many accomplishments this year are winning the spirit trophy three years in a row, being the victors of the first Junior-Senior basketball game, and a most successful Junior Prom. The students of the class of '69 have thus far shown great potential for what will be a remarkable senior year.

This years Sophomore Class has shown great skill at passing the "difficult age"—more than a Freshman, less than an upperclassman. The Sophomores this year won the first trophy of its kind; a trophy from the cheerleaders for the best spirit in a rally. They hope to keep it with them in the great years to come. In a traditional vein, the Sophomores are raising money to support the annual Sophomore Dance. The proceeds from this dance will go toward additional expenses during the Junior and Senior years.

FALL OFFICERS

FRONT ROW: Jennifer Jones, Tom Davenport, Monica Furtado.
SECOND ROW: Debbie West, Ken Egusa, Sandy Jaramillo.

The class of 1971 has taken early opportunity to prove itself worthy of C.H.S. Those who now lead the freshmen in their activities, will be the future leaders of all of Cupertino High.

With winning teams in football, basketball and some fine future prospects in track and wrestling, the '71ers will contribute many athletes to the Student Body. This year's freshman class promises to continue to prove themselves worthy of the title—"Class of 1971."

*Slow sinks, more lovely ere his race be run,
Along Morea's hills the setting sun;
Not, as in northern climes, obscurely bright,
But one unclouded blaze of living light.*

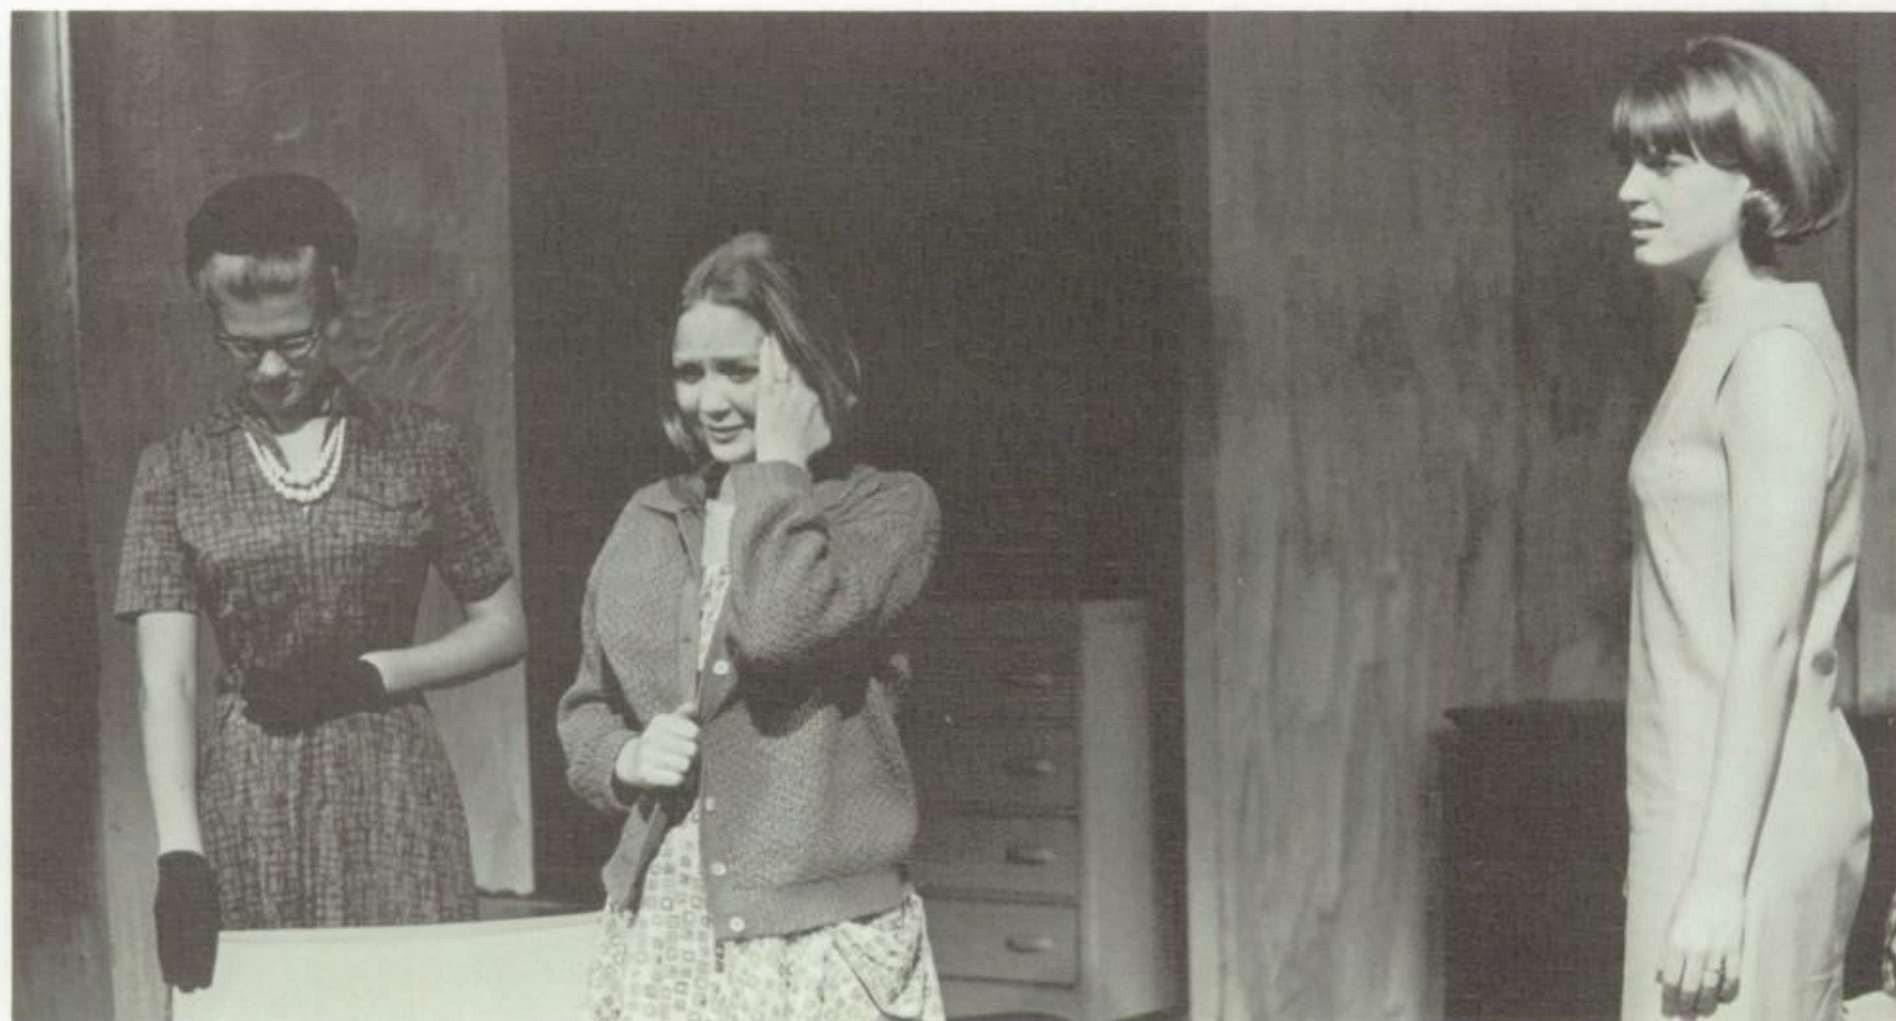

—Byron

"The Bad Seed" by Maxwell Anderson marked the beginning of another successful dramatic season at Cupertino. The mysterious production, directed by Mrs. Ann Atkinson and assisted by T.M. Morris, was presented November 2nd, 3rd, and 4th to enthusiastic audiences. It was highlighted by the excellent portrayal of Rhoda Penmark by Debbie Fadich and of her mother by Christine Ricken. The realistic set added credibility to a rather bizarre plot. The long hours spent in rehearsal were rewarded by a request to attend the Cabrillo College Drama Festival.

Interact

The 1968 Interact Christmas Hootenanny was the biggest success in Interact's history at Cupertino. The club with benefits from the Hootennany support a Korean orphan, Han Wo Cho, and contribute other profits to Key Club for their annual Food Drive for the needy. The club's second project was the Jazz Festival in April. This year's festival featured the return of guitar artist, Bill Mundy, and the proceeds from this project went toward adopting two American Indian orphans. The club's first semester president was Jerry Shapiro and the second semester, Mike Morris. And it must be said that this year's club was both hard-working and energetic. Pictured left: Interact's leaders are Mr. Boggie and Mr. Schmiedt.

Key Club

1968 also marked a very successful year for Cupertino High School's Key Club, in that their spectacular Homecoming was one of the most successful ever. This year's club again brought the Christmas spirit to CHS with the annual food drive, and once again Santa could be seen romping around the rally court, collecting pennies for the project, which was the largest yet. Key Club's food drive cannot be disputed as being one of the most worthwhile projects that takes place at CHS. This year's presidents were Don Corliss, 1st semester and Bob Klure 2nd semester.

CHSS

CHSS has this year progressed from the "messiest club" on campus to one of the hardest working and most widely recognized service clubs on campus. It is the only club to serve at the Parent-Faculty club meetings, the Faculty Breakfast, and the CSF banquet. The project this year for CHSS was to buy Christmas trees for the needy families and to make taped recordings for the blind.

The club is co-ed, so anyone is able to join. In order to earn a CHSS pin, one has to earn fifty hours of work, which because of the friendly atmosphere of the club is more fun than anything else.

Altruettes

Altruettes is a service organization formed to honor girls who excel in the areas of leadership, scholarship, and service. Members are selected from all classes on the basis of these three goals.

The club's activities are varied and include service for the school and the community. Altruettes sponsors a fashion show for Freshman Orientation Day as a means of introducing the dress code and the activities of Cupertino to the incoming freshman girls. Some other activities on campus include the candy sale, and help with Baccalaureate and Graduation. In the community we find Altruettes working with Our Lady of Fatima and Sunset-Annex rest homes.

In an atmosphere of fun and service the Altruettes of Cupertino High School seek to uphold their goals under the able leadership of their advisor, Mrs. Stark.

All American Girls

The All American Girls Club serves the school and the community. Working in the counseling office, serving all school functions, and sponsoring the Valentine Dance provide school spirit for the club. In the community the AAG collects for various charities, works in carnivals and aids the Ming Quong Children's Orphanage and Grants Convalescent Home. The members have, in addition, special projects, including bake sales and the making and selling of Christmas wreaths in order to sponsor a foster child.

Mu Alpha Theta, Cupertino's math honors club, this year emphasized an *interest* in mathematics rather than ability. The Club meets to discuss contemporary math problems and areas of interest. This year the club officers were President, Frank Abe; Vice President, Steve Mohr; Secretary, Gary Amstutz; and their advisor, Mr. Hansen.

National Forensic League

The purpose of N.F.L. is to develop self-confidence, poise, and leadership through public speaking. This year the team has had much success in competition with other schools.

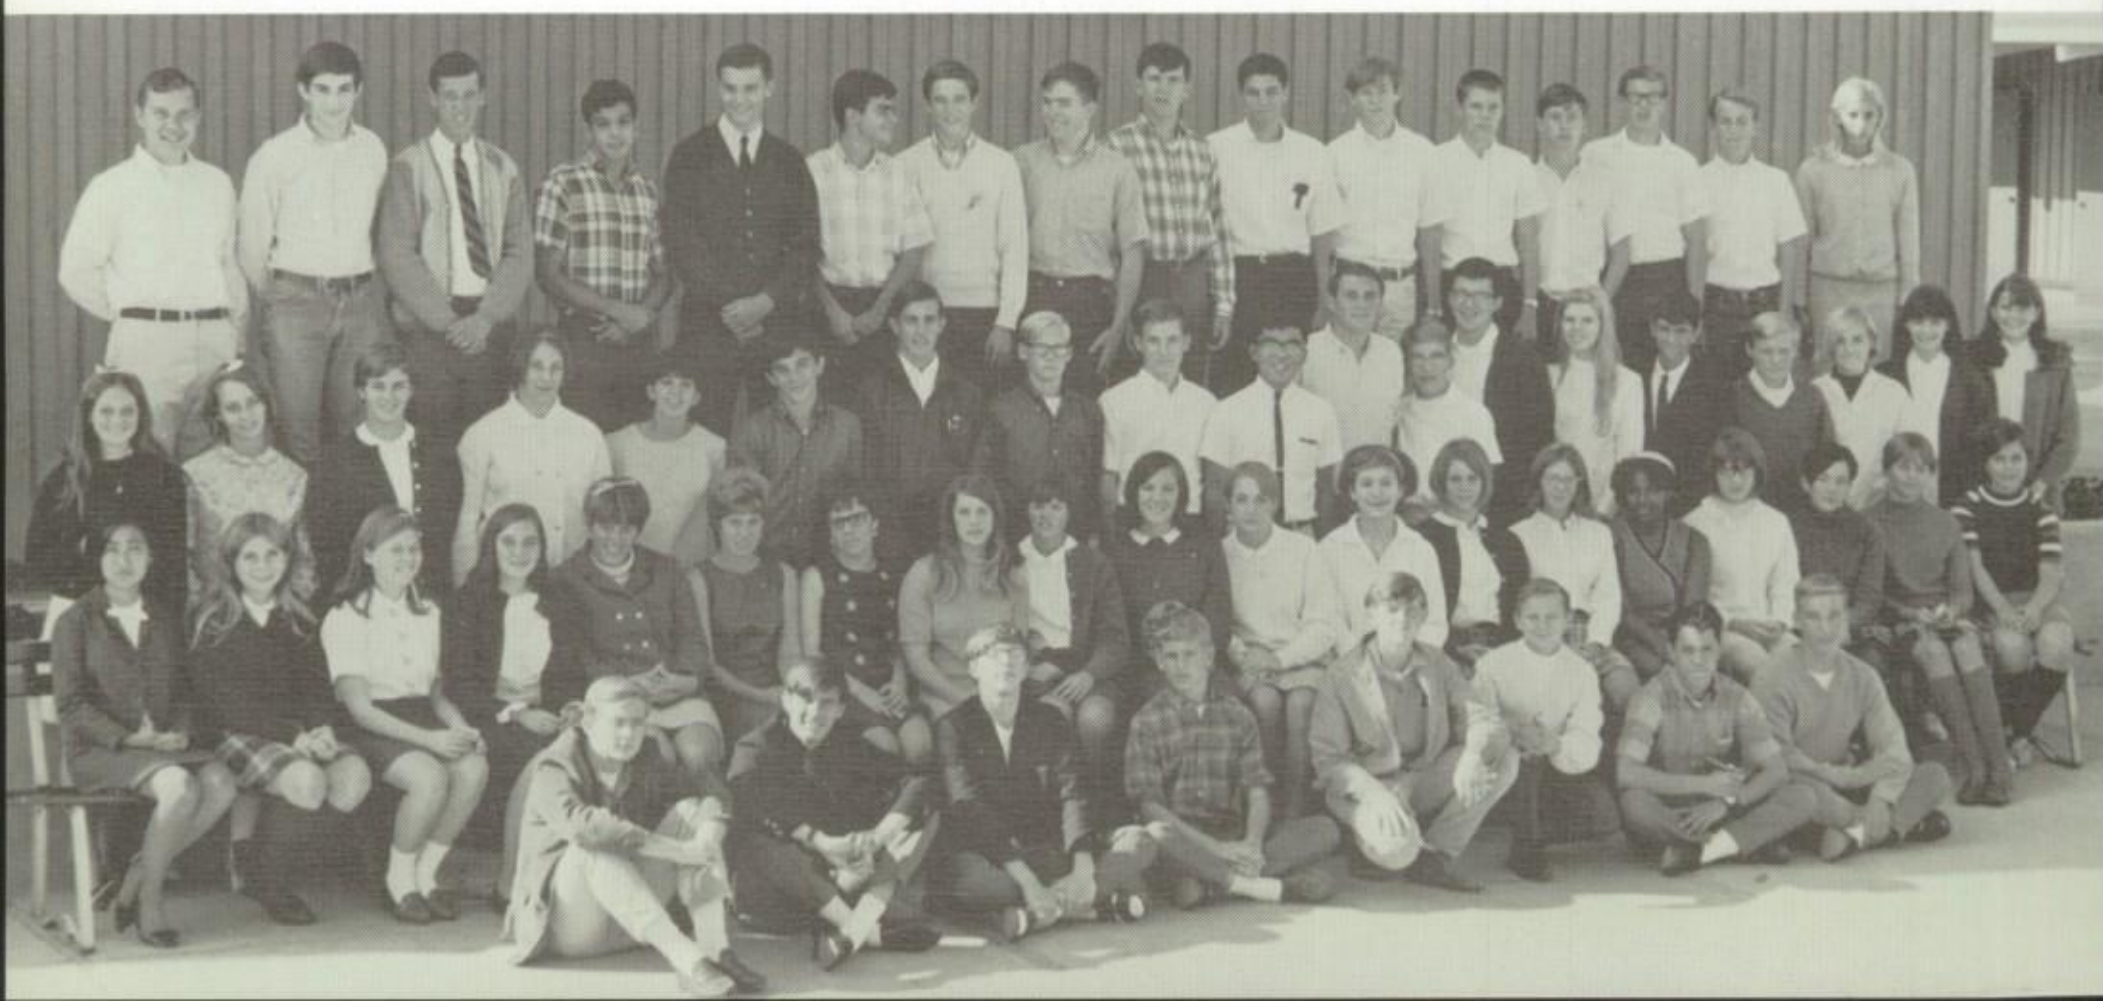

Though the contestants work together as a team, much of the competition is on an individual basis. Time after school is spent in preparing for these contests. Team members agree the self-satisfaction gained from delivering a good speech is well worth the time spent in preparation.

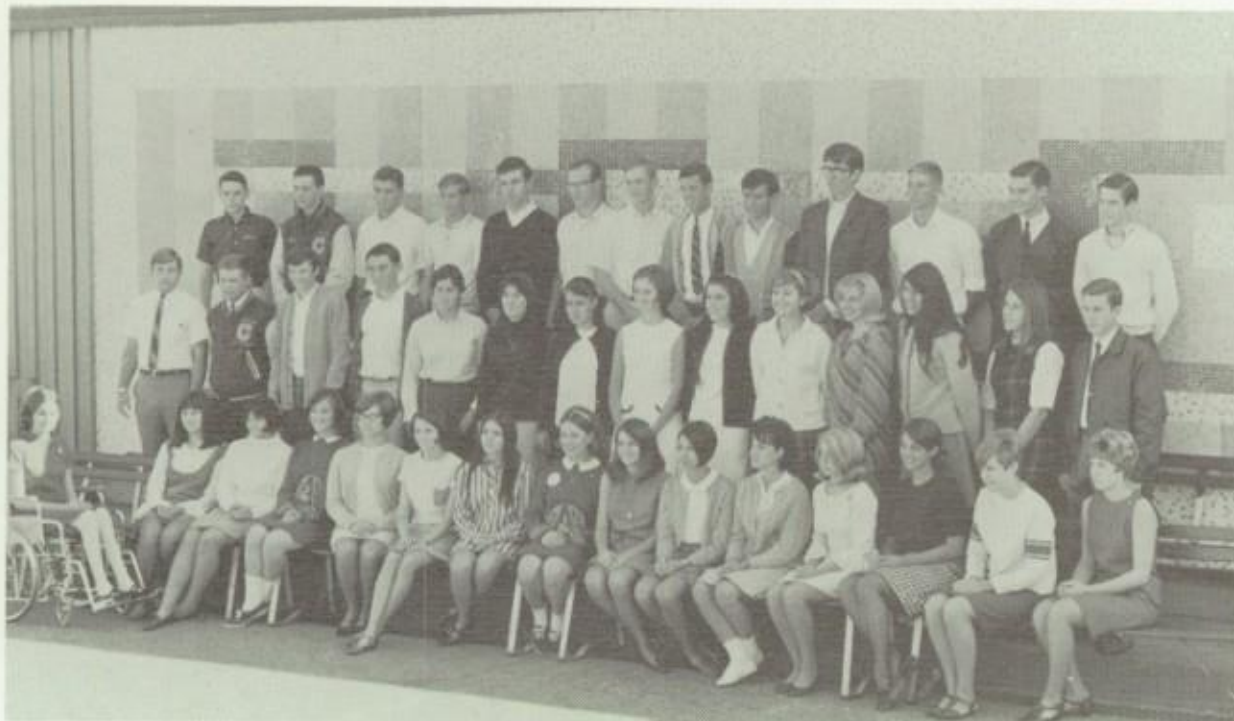

Three of the outstanding members of N.F.L. are pictured here. They are Debbie Daniels, Ned Branch, and Carol Tompkins.

Creative Writing

Expression in written form is a most important part of the students curriculum. Many students who excel in this talent join our Creative Writing Club. They are involved in such projects as essays, original stories and poems. The most important activity is publishing the "Gold Dust", our literary magazine.

TOMMIE ANN MOSS

"My visit in England began with a two week stay in a boarding school in the northwest. After a term, I moved to Bebington, which is across the Mersey River from Liverpool, where I met my English family. I had a sister, sixteen and a brother, fourteen. We lived in a compact two-story duplex. I found the English to be very much like anyone else in the U.S. The teenagers particularly have a wit about them; their humor is quite satirical. As natives of all countries, the English are proud of their heritage. Although I had a marvelous time while in England, I can only see from my experience, the satisfaction of being a member of not just the American society, or Western Culture, but a member of the World civilization."

BRUCE BUTTERWORTH

"I stayed forty miles west of Helsinki, the capitol of Finland, in the beautiful lake country, where a great deal of the activities was consumed in sailing and other water sports. As for my family, I had one sister 21, named Marian who was voted the best Finnish model in 1967. There were also three brothers in the family: Marcus, 17; Ben, 11; and Roy, 8. A highlight of my experience this summer was a four-day trip to Leningrad. The city and its arts was unbelievable, but even more interesting were the people. I had a small chance to observe a fragmented part of Soviet life. All my adventures in Finland proved to be highly beneficial to me."

MARGARET MENZ

"I lived in South America with the Capelli family in Vina del Mar, Chile for two and a half months. One of my first and lasting impressions of Chile was its natural beauty. Except for a few dense pockets of population, much of the land is free, wide-open space used for wildlife, grazing, or farming. There is much diversity in the inhabitants of this country. The Chileans themselves are friendly and sincerely interested in matters concerning the U.S. But as in other South American countries, there is an uncertain feeling between what is fact and what is fiction about the American Society. Through programs such as the one I participated in, I hope the view of international relationships will broaden."

Sylvia Zuniga, a native of Tacna, Peru, is 17 years old and lived with the Felix family.

From Montevideo, Uruguay, comes Marta Pizzanelli, who is 18 years old and in Cupertino lived with the Jafferries family.

Although Klaus Wintermann, 18 years old, is from Sandkrug Germany, he lived with the Schwartz family in Cupertino.

From Lanus, Argentina, comes Susana Stern. During her stay at Cupertino, she lived with the Kitsen family.

Carlos Casis came to us from Lima, Peru. He would like to major in Business Administration at San Jose State. While at Cupertino he lived with Mike Morris.

Maria de Lujan Lamon, who would like to be an Interpreter, is from Balna, Blanca. While attending Cupertino, she stayed with Mr. Relph.

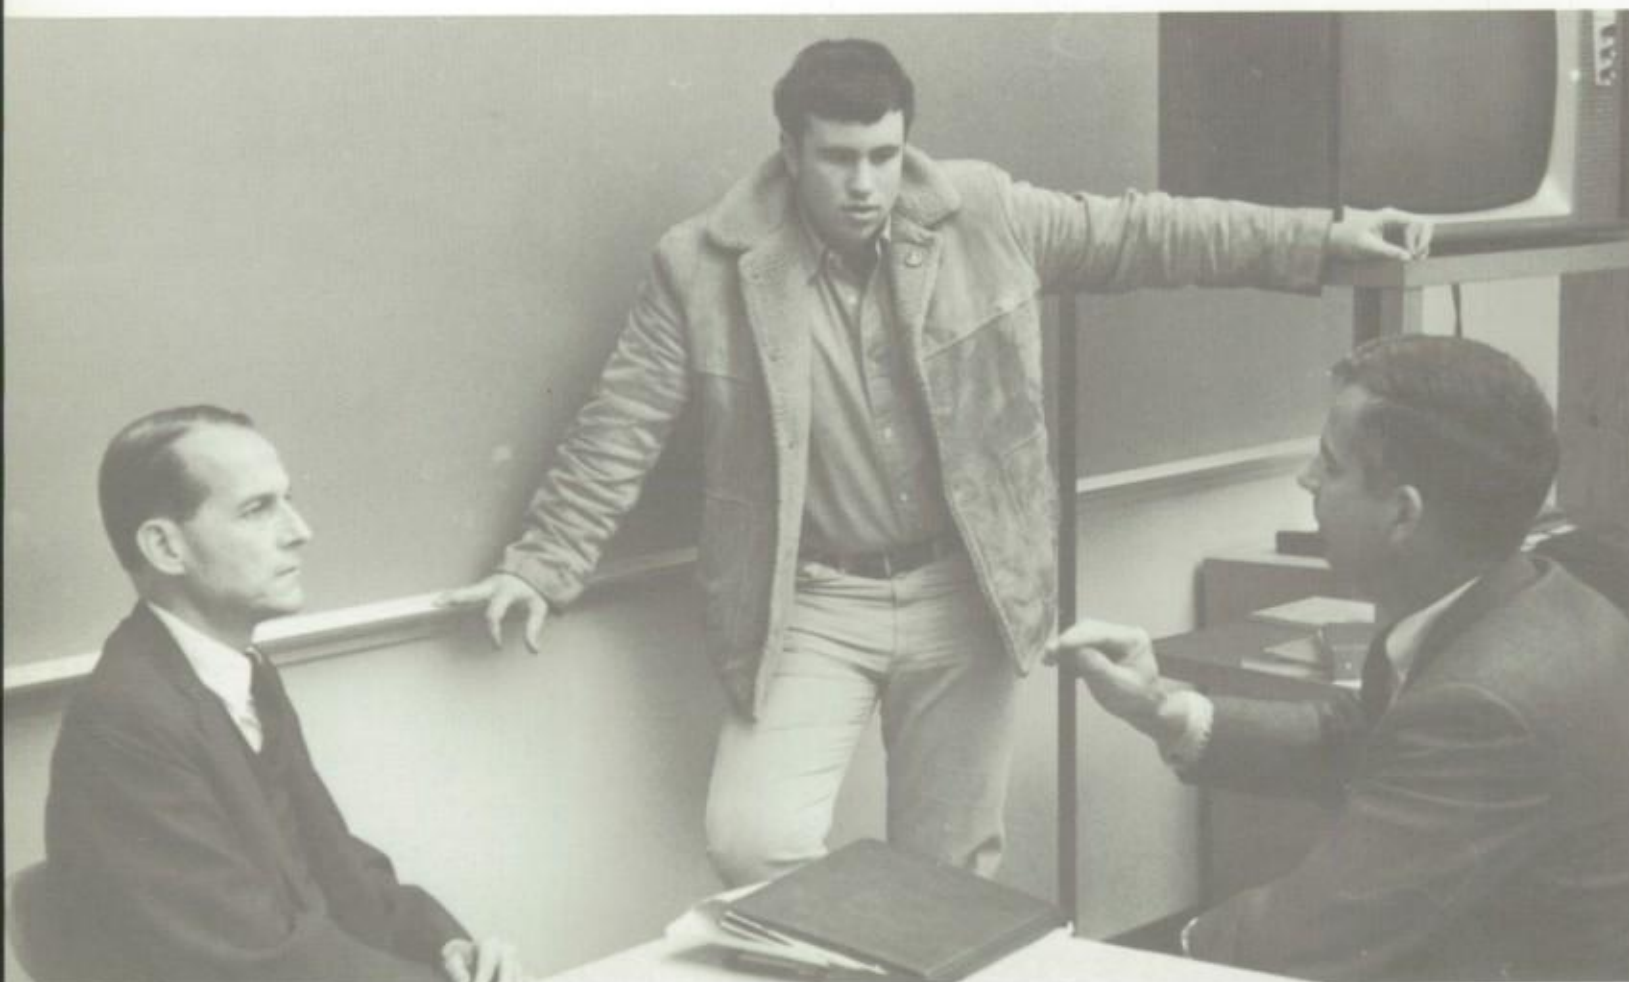

Norma Beatriz Costoya from Lanus, Argentina, lived with Cathy and Jan Reynolds while at Cupertino.

Eva Lusa is from Alavus, Finland. She is 17 years old and lived with Linda and Cheri Sorenson while at Cupertino.

"Under The Christmas Tree"

The annual Christmas Ball highlighted the conclusion of 1967. "Under the Christmas Tree" was organized and presented by Ronnie Simon and the Executive Council. The unique effect of dancing under the Christmas Tree created a festive illusion. Music by Dave Pugh and the Sentimentals set the mood of the occasion.

The honored royalty of the ball was Queen Chris Mass and her court. The lovely princesses were Rosanne Kirby, Eva Lusa, Kathy Williams, and Debbie Slotte.

A Mattress

The courtly love and ceremony of the Middle Ages was the enchanting theme of this year's musical, "Once Upon a Mattress." Robin McBeath, the domineering queen, along with her mute husband, Mike Spratt, ruled their land masterfully. Elsa Kappelhof and Kim Coutts, secretly married, had to hasten the marriage of Tom Kent, the prince. The fate of the entire kingdom lay in

the wedding plans of this prince. Finally, with the aid of the King and Queen's court the problem was remedied.

Mrs. Atkinson directed the production, which was presented April 25, 26, 27, and 28. Mr. Gomez, Mr. Gober, Mrs. Carlson, and Miss Morrow co-ordinated the music and dance.

Cupertino Bands

Cupertino's Marching and Concert Band, under the direction of Mr. Gomez, has brought much praise to Cupertino. Rated as one of the top bands in the area, the band marched at Stanford University and Kezar Stadium. The performances at DeAnza and the Pioneer Day Parade were merited by a second request to play at the University of San Francisco's football game at Kezar.

In February, band members were given the opportunity to try out for County and State Honor Bands, with 15 making County. The outstanding instrumentalists qualifying for State were Sara Cooley, Dave Chapman, Dave LoVine, Tom Martin, and Jerry Shapiro.

The band also gave concerts at several junior high schools, as well as playing in the Pops Concert.

This year has been a year pleasing to the ear. The A Cappella Choir, under the direction of Mr. Gober, gave a number of outstanding performances throughout the year. They performed at the annual Christmas Pageant. This combined concert of the choirs and band proved to be quite rewarding. To top off the superb showing, the band accompanied the choirs in the *Hallelujah Chorus*. The musical organizations of Cupertino High School are to be congratulated for an excellent musical year.

Varsity Outstanding in S.C.V.A.L. Play

After a year of hard work and determination, twenty-six football players brought Cupertino High School its most successful football season. The boys worked together as a team, striving for confidence and pride, for with confidence and pride come a winning team. After the first two games, Cupertino opponents wondered what they had been working for. During the next seven weeks, the 1967 Football Team established the longest winning streak in Cupertino's history, beating Los Altos and Fremont for the first time, finishing second behind the number one team in Northern California. The coaching staff feels that these twenty-six football players have contributed greatly to the high school and they are to be congratulated.

Homecoming 1967 was the most beautiful and successful ever. The traditional red carpet was rolled out for Queen Charity Swayze and court. Colorful topiary trees added to the elegance of the occasion. The crowning of Charity Swayze by last year's Senior Princess, Judy Romadka, marked the 7th Annual Home Coming of CHS. The victory over Awalt, scoring 27 to 14, climaxed the evening. After the game, the students and alumni danced to the music of the Jaguars. It was an evening for all to remember.

J.V.'s Place Second

Cupertino proved to be the team to beat during the 1967 football season, demonstrating a fine offensive attack and an almost impenetrable defensive line. Sparking the offensive attack were such fine backfieldmen and all-league selections as Bud Bonetti, Dave Brown, and Chuck Knutson. Along with Bud, Dave, and Chuck, were Larry Gouveia, Randy Page, Lee Gomez, Bill Manly, Tim Farley, Paul Tatsuta, and Lou Tapia. The offensive line-up scored a total of 232 points for the season while the defensive unit allowed only 20 points to be scored against them.

The exceptional enthusiastic play of these boys and the rest of the team helped Cupertino to finish second in the league, losing only one game and that one in the last five seconds of play.

Lettermen

With Mr. Christensen as club advisor, Lettermans Club was able to continue the success as a club for the promotion of the understanding and interest in all sports throughout CHS. The clubs make-up is of all years and of active participants in school sports, and who has earned a Block in a sport. The club meets once a month and views movies taken by the P.E. Department, and discusses ways to improve on specific sports. Although they do not all watch sports films they some times enjoy entertaining flicks.

This year's president was Pete Pritchard.

CHS Spirit Leaders

Always an important part of school activities, the spirit leaders contributed much time and energy this year to promoting enthusiasm. As proof of their efforts, all three squads placed in the Santa Clara County Cheerleading Competition. The Varsity, headed by Debbie Roberson, took first place; the JV's, under Debbie Elkins, placed second; and the Pep Leaders, with Micki Van Dyke as head, took third. Many hours of hard work has proved to be rewarding in our school spirit.

Golden Spurs

The girls in the short, flashy, gold uniforms are the Golden Spurs. Their participation at CHS football halftime and basketball halftime was quite an attraction. Other activities which they marched in were the Pioneer Day Parade, the De Anza Parade, two San Francisco State football games and the Sunnyvale Christmas Parade. The style of the Golden Spurs is a combination of dance routines and military precision. The drill team members are Bev Kline, Wendy Locke, Elaine Schlichter, Carla Wallace, Grace King (captain), Debbie Cutler, Pam Patrick, Sherry Jordan, Kathy Fogarty, Lynn Lopresto.

Song Girls

Our talented girls in gold are the CHS Song Girls. These six girls displayed their abilities weekly at the games and rallies during football and basketball season. They also executed their skillful and original routines at the Santa Clara County Competition and during half-time at a 49'er football game. A new look for the song girls this year is their "mini" uniforms. They still attain, however, the perpetual Pioneer pep and smile.

Water Polo

For the Cupertino Water Polo team the games were hard and close. The competition was great this year and the games were rough. But the team never lost their enthusiasm for winning a game.

SPORTS CLASS

“The Man Who Came to Dinner”

One of this year's great dramatic successes was the Faculty Play. Mr. Dennis Friend starring as *The Man Who Came To Dinner*, reflected a very cold and selfish character, but the audience howled with warm laughter throughout the evening. All profits from the play went to Senior scholarships from the Faculty Club.

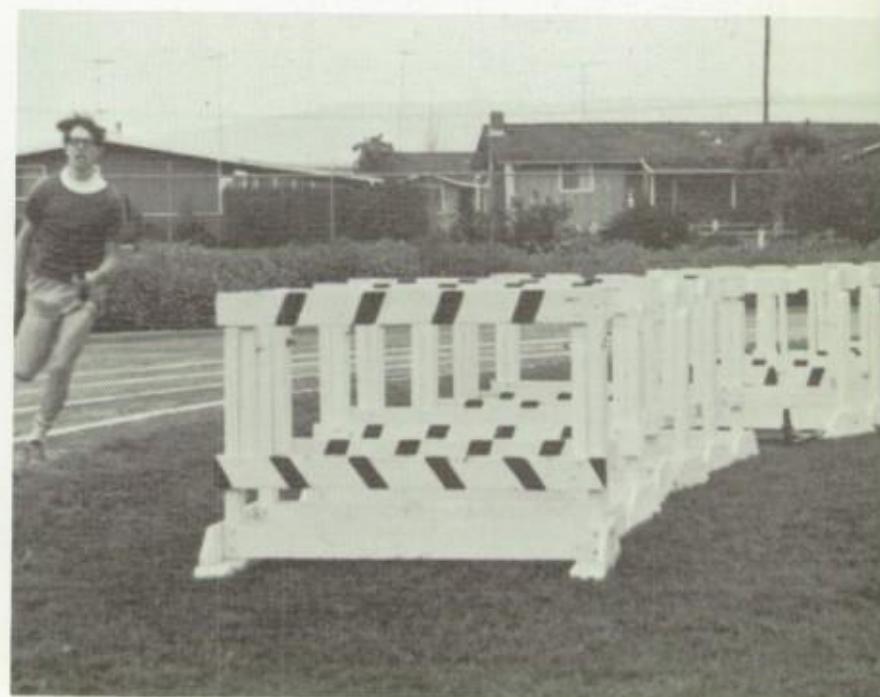

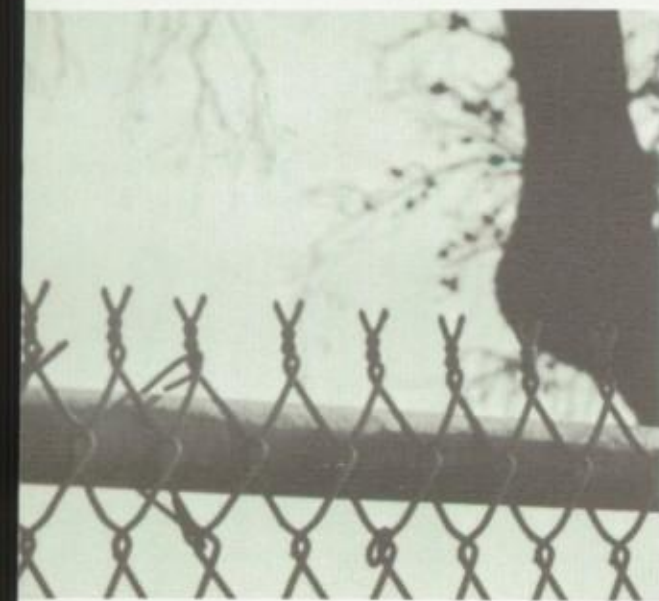

Inter-Class Relays

The class of '68 was the victor in this year's Interclass Relays, distantly followed by the Freshmen, Juniors, and Sophomores. The presidents of their respective classes led off in the first lap. Throughout the race, tension and

spirit mounted in the stands and on the track. The Seniors also won this event in their freshman year. The class of '68 again has proven its leadership as both fine underclassmen and mighty Seniors.

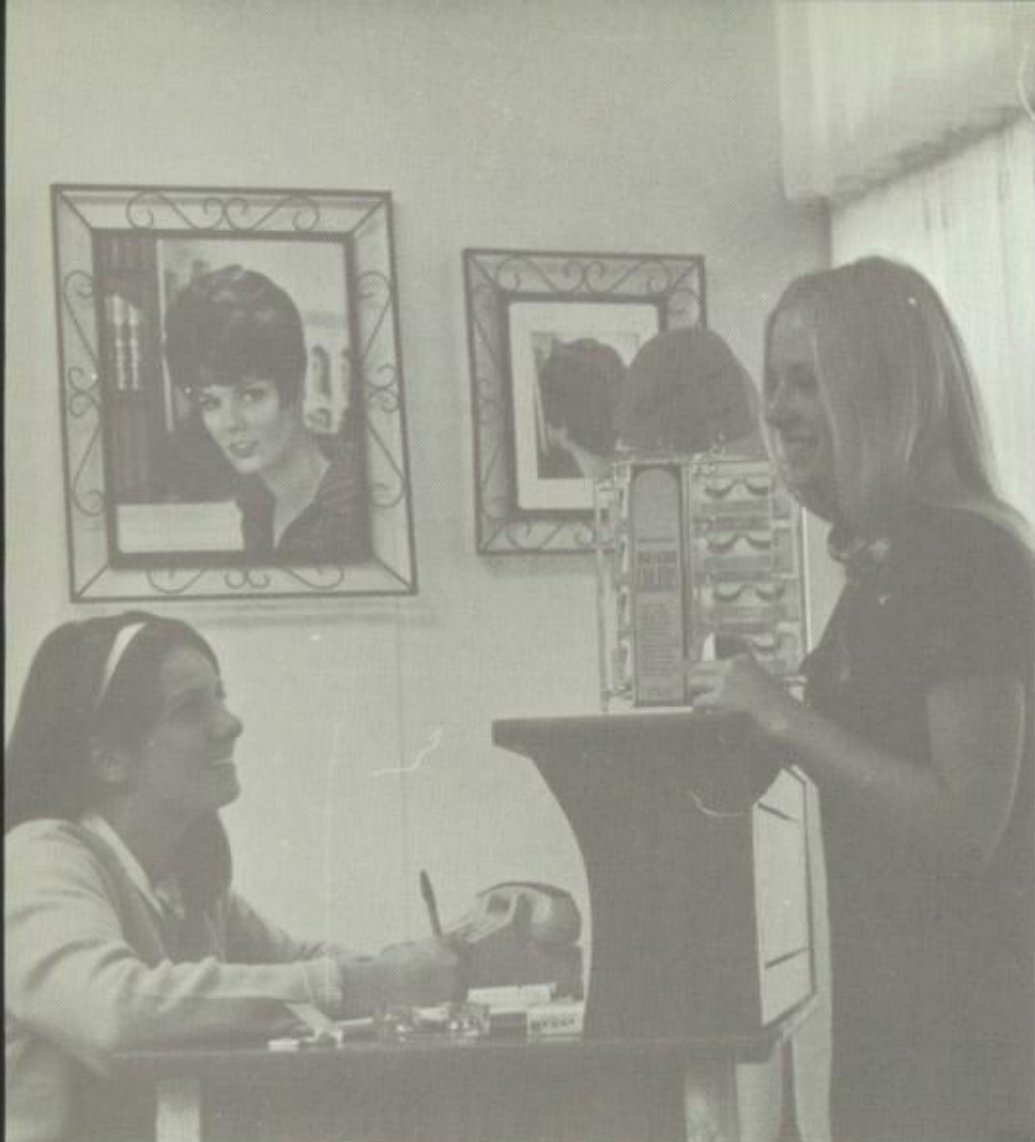

*There comes an hour of sadness
With the setting of the sun,
Not for the sins committed,
But the things I have not done.*

—R. Savage
